<b>Welcome to Feet for Life Podortho® Nursing Advanced Foot &amp; Lower Limb Care</b>	<b>10</b>
---	-----------

<b>Message from Erin D. King, Registered Practical Nurse, Podortho® Nurse</b>	<b>12</b>
---	-----------

## Chapter 1

---

<b>Introduction to the Foot</b>	<b>13</b>
Interesting Foot Facts .....	13
The Child's Foot.....	16
In-Toeing and Out-Toeing in Children .....	16
Toe Walking .....	17
Self-test Questions and Assignment .....	18

## Chapter 2

---

<b>Scope of Practice for Ontario Podortho® Nursing Association Inc. and The College of Nurses of Ontario</b>	<b>19</b>
Scope of Nursing Practice .....	19
Scope of Podortho® Nursing Foot and Lower Limb Care.....	19
The Role of the Practitioner in Foot and Lower Limb Care.....	21
Beyond Foot Care .....	22
References and Associations.....	22
Self-test Questions and Assignment .....	24

## Chapter 3

---

<b>Anatomy of the Lower Leg and Foot and Characteristics of the Aging Foot</b>	<b>25</b>
Functions of the Foot .....	25
Bones of the Lower Limb.....	26
Joints of the Foot and Ankle .....	27
Ligaments of the Foot .....	28
Muscles, Tendons, and Fascia .....	28
Arches of the Foot.....	30
Anatomic Positions .....	30
Motions of the Foot and Ankle .....	31
Vascular System.....	31
Lymphatic System.....	33

Venous Insufficiency .....	34
Nervous and Peripheral Sensory System.....	34
Neurons and Functions.....	35
Composition and Function of the Skin.....	35
Structure of the Nail .....	37
Functions of the Nail.....	38
Characteristics of the Aging Foot .....	38
Self-test Questions and Assignment.....	40

## Chapter 4

### **Microbiology, Infection Prevention and Control, and Occupational Health and Safety 42**

Microbiology.....	42
Transmission of an Infection.....	43
Personal Protective Equipment (PPE).....	45
Infection Protection and Control.....	46
Occupational Health and Safety.....	48
Self-test Questions and Assignment .....	50

## Chapter 5

### **Nail Anatomy and Pathology 52**

Nail Anatomy	52
Nail Pathologies and Abnormalities	53
Onychocryptosis (Ingrown Nail) .....	54
Involuted and Plicatured (High Curved) Nails .....	55
Onychauxic (Thickened Nail).....	56
Onychogryphosis (Ram’s Horn) .....	56
Onychoschizia (Split Nails) .....	57
Discolouration and Yellow Nail Syndrome.....	57
Psoriatic Nails.....	58
Beau’s Lines.....	59
Koilonychias (Spoon Nails) .....	59
Onychomadesis (Complete Nail Loss).....	60
Onychomalacia (Soft Nails).....	61
Subungual Exostosis (Osteochondroma).....	62
Subungual Hematoma .....	62
Onychomycosis (Fungal Nail Infection) .....	63
Self-test Questions and Assignment.....	76

---

## Chapter 6

<b>Structural Deformities of the Foot</b>	<b>78</b>
Structural Deformities	78
Bunion .....	78
Hallux Valgus .....	78
Hallux Rigidus / Limitus .....	79
Hammertoes .....	80
Claw and Mallet Toes .....	81
Foot and Lower Limb Conditions	82
Neuroma (Interdigital and Morton's) .....	82
Metatarsalgia .....	83
Heel Pain .....	84
Plantar Fasciitis .....	85
Achilles Tendonitis .....	86
Fracture .....	86
Arthritis .....	87
Mid-Foot Disorders	87
Pes Cavus (High Arch) .....	87
Pes Planus (Flat Feet) .....	88
Sesamoid Injuries	89
Sesamoiditis .....	89
Turf Toe .....	89
Self-test Questions and Assignment .....	91

## Chapter 7

<b>Foot Assessment and Documentation</b>	<b>92</b>
Podortho® Nursing Foot and Lower Limb Care Health History .....	92
Podortho® Nursing Foot and Lower Limb Care Consent .....	94
Comprehensive Nursing Foot and Lower Limb Care Assessment ..	95
60-Second Diabetic Foot Screen .....	99
Patient/Client Care Plan and Goals .....	102
New Patient Intake Form .....	103
Podortho® Nurse Assessment Form .....	110
Daily Charting and Podortho® Nurse Care Plan Form .....	113
Physician Patient/Client Report – example .....	115
Self-test Questions and Assignment .....	116

---

## Chapter 8

<b>Instrumentation and Supplies</b>	<b>118</b>
Instruments.....	118
Instrument Care and Staining Information .....	119
Assessment Instruments.....	120
Equipment.....	121
Patient Supplies .....	121
Infection Control Supplies .....	121
Self-test Questions and Assignment.....	123

## Chapter 9

<b>Podortho® Nurse Special Procedures</b>	<b>124</b>
Instruments for Special Procedures	124
Electric Rotary File.....	124
Rotary Burs .....	124
The Scalpel.....	127
Commercial Sharps .....	129
Self-test Questions and Assignment.....	131

## Chapter 10

<b>Soft Tissue Pathologies</b>	<b>132</b>
Soft Tissue Pathologies and Conditions	132
Heloma Durum (Hard Corns).....	133
Heloma Molle (Soft Corns).....	134
Heloma Milliare (Seed Corns).....	134
Tylomas (Callus).....	135
Onychophosis .....	136
Paronychia.....	136
Dry Skin.....	137
Fissures.....	138
Hyperhidrosis (Excessively Moist Skin) .....	138
Blisters.....	139
Tinea Pedis (Fungal Skin Infection) .....	140
Bacterial Infections.....	141
Verruca Plantaris (Plantar Warts) .....	142

Dermatitis .....	143
Cellulitis .....	143
Psoriasis.....	144
Lesser Known Skin Conditions and Treatments	144
Xerotic Eczema.....	144
Venous Stasis Eczema.....	145
Carcinoma (Basal Cell and Squamous Cell) .....	145
Ganglion Cyst .....	145
Acrochordon (Skin Tag).....	146
Cutaneous Horns .....	146
Self-test Questions and Assignment.....	147

## Chapter 11

<b>Padding and Strapping</b>	<b>148</b>
Introduction to Padding and Strapping.....	148
Corrective Materials – Advantages/ Disadvantages – Applications .....	149
Self-test Questions and Assignment.....	151

## Chapter 12

<b>Foot Health Education, Footwear, and Foot Care Disciplines</b>	<b>152</b>
Foot and Lower Limb Health Care Education.....	152
Footwear .....	153
Compression Therapy.....	156
Foot and Ankle Exercises.....	157
Foot Care Professionals and Disciplines.....	158
Self-test Questions and Assignment.....	161

## Chapter 13

<b>Foot Care Procedures</b>	<b>162</b>
Foot Care Set-Up .....	162
General Instrument Usage .....	163
Final Treatment Steps and Health Teaching .....	165
Self-test Questions and Assignment .....	166

---

## Chapter 14

<b>Biomechanics and Gait Analysis</b>	<b>167</b>
Biomechanics.....	167
Gait Cycle .....	167
Lower Extremity Joints in Motion .....	168
Movement Planes and Motions.....	168
Point of Reference: Subtalar Joint Neutral .....	169
Phases of Gait .....	169
Details of the Gait Cycle Phases.....	170
Orthotics.....	175
Self-test Questions and Assignment.....	178

## THE HIGH-RISK LOWER LIMB AND FOOT

## Chapter 15

<b>Peripheral Vascular Disorders and Arthritis</b>	<b>179</b>
Peripheral Arterial Disease.....	179
Peripheral Vascular Disease .....	180
Atherosclerosis .....	181
Lymphatic Obstruction.....	182
Compression Therapy and Peripheral Neuropathy.....	183
Altered Autonomic Nerve Function .....	184
Impaired Biomechanical Function.....	184
Arthritis .....	185
Gout .....	187
Self-test Questions and Assignment.....	189

## Chapter 16

<b>The Diabetic Foot</b>	<b>190</b>
Diabetes .....	190
Diabetic Neuropathy .....	193
Biomechanical Deterioration in the Diabetic Foot .....	194
High-risk Assessment for Diabetic Patients/Clients .....	197
Self-test Questions and Assignment.....	199

---

## **Chapter 17**

<b>Wound Care</b>	<b>200</b>
Podortho® Nursing Wound Care Scope of Practice.....	200
Phases of Wound Healing .....	200
Wound Classifications.....	201
Wound Care Assessment.....	203
Wound Cleansing .....	203
Wound Prevention.....	204
Self-test Questions and Assignment.....	205
<b>Glossary of Common Podiatry Terms</b>	<b>206</b>
<b>Resources</b>	<b>221</b>
<b>About the Author</b>	<b>224</b>
<b>Acknowledgements</b>	<b>225</b>
<b>Praise for Podortho® Nurse Advanced Foot and Lower Limb Care Training</b>	<b>226</b>
<b>Publisher's Note</b>	<b>228</b>
